

## UK Declaration of Conformity with Equipment and Protective Systems Intended for Use in Potentially Explosive Atmospheres Regulations 2016 for BOACHEM

Hereby we,

**KSB Valves (Changzhou) Co., Ltd.**  
Registered Office: No. 68 Huanbao Four Road,  
Xinbei District, Changzhou City,  
213022 Jiangsu Province  
P. R. China

declare that the product specified below, without electric or pneumatic actuators,:

### Globe valves

BOACHEM-ZXAB/ZYAB	PN 10 - 40	DN 15 - 400
BOACHEM-ZXA	PN 10 - 40	DN 15 - 400

### Lift check valves

BOACHEM-RXA	PN 10 - 40	DN 15 - 400
-------------	------------	-------------

### Strainers

BOACHEM-FSA	PN 10 - 40	DN 15 - 400
-------------	------------	-------------

does not have a potential internal source of ignition and, therefore, does not fall under the UK Equipment and Protective Systems Intended for use in Potentially Explosive Atmospheres Regulations 2016.

Components such as electric or pneumatic actuators as well as limit switches are, as a rule, covered by the scope of the UK Equipment and Protective Systems Intended for use in Potentially Explosive Atmospheres Regulations 2016, and shall be subject to a conformity assessment procedure. Evidence of conformity must be furnished (for ex. UK Declaration of Conformity).

### Applied harmonised European standards:

EN 13463-1, EN 13463-5, EN 1127-1, Directive 2014/68/EU

The UK Declaration of Conformity was issued in/on:

Changzhou, 7 November 2022
